Dear [redacted]

STAT

It was a great treat to hear from you again after these many years. I enjoyed getting caught up on your activities very much.

I'm also delighted to see that you have stayed in the Naval Reserve and are continuing to contribute to our Navy in that way.

I still look back on our time together in CONQUEST with a great deal of warm affection. One's first command always has a place close to the heart. Unfortunately, I have lost complete track of [redacted] and the others.
